Award Code: MA000049

Employee Level: Ground services officer Level 1

Note: Confirm the employer is an airport operator and that the employee is not more appropriately covered by another aviation award before applying MA000049.

Award Code: MA000049

Employee Level: Ground services officer Level 2

Note: Check coverage carefully where work may instead fit the Airline Operations - Ground Staff Award MA000048.

Award Code: MA000049

Employee Level: Technical services officer Level 2

Note: Confirm the employee's technical duties match the technical services stream and that any first aid duties are separately recorded if the first aid allowance is claimed.

Award Code: MA000049

Employee Level: Administrative services officer Level 3

Note: Verify the current Fair Work pay guide and confirm that any over-award amounts are documented separately from the award minimum.

Award Code: MA000049

Employee Level: Professional engineer Level 4

Note: Professional engineer salaries should be checked against the award minimum and any contract uplift should be documented as an over-award arrangement.

Employee ID: AIR-004

Award Code: MA000049

Employee Level: Ground services officer Level 2

Note: Employee is casual. Provide the Casual Employment Information Statement at commencement and again at the required follow-up points.

Employee ID: AIR-005

Award Code: MA000049

Employee Level: Professional engineer Level 4

Note: Employee is engaged on a fixed-term arrangement for the MVP example. Provide the Fixed Term Contract Information Statement before or as soon as possible after engagement.
